February 29 - March 2, 2024 @ PHS

March 7, 2024 @PHS

Good afternoon!

Despite this being a shorter week for our students, it was filled with lots of learning and growing. Many of our students participated in an activity in which they wrote either an essay or a poem to respond to the prompt: *What I love most about Tinicum is...* It was great to read their unique and creative ideas and thoughts. Our Tigers love their school (which is heartwarming)!

As a reminder, many students will be participating in after school clubs beginning next week. Please be sure to mark your calendars for the days and activities in which your child(ren) may be participating. Most are off campus and will require a parent/guardian to pick up at that location.

Finally, as we are entering the final week of February (and the first day of March coming up in one week!), I wanted to remind everyone that our third - fifth grade friends will be trying their best on the PSSA exams from the week of April 22 - May 3. If you are planning a quick spring getaway, please do try to schedule around those dates. Thank you for your cooperation.

Enjoy the weekend!
