

Good afternoon,

Mother Nature threw us a bit of a curveball with icy conditions throughout the morning, which resulted in an earlier-than-expected weekend!

Our Reading Room and Activities Committee have been hard at work putting together a fun *Read Across America Week* for the coming week, including an author's visit with Daryl Cobb. Additionally, each day next week is a thematic-spirit day, with each theme listed below in the weekly calendar.

Looking ahead to March (spoiler alert - it's Tuesday!), our Wellness Committee will be providing a new food item for our students to try during lunch on Tuesdays (starting March 8) during lunch. It will be fun to try something new on *Try It Tuesdays*! Also, our winter Book Fair is coming up (March 16-18), with a family night scheduled for March 17. Stay tuned for more details from our amazing PTA!

Enjoy the weekend!

NOTES FOR FAMILIES

1. The Palisades high school STEM club will be hosting a STEM night for elementary school students grades 3 to 5. STEM night will take place on March 8, at 6 PM at the high school. The aim of our STEM night is to spark creativity in the kids, and also allow them to participate in hands-on activities demonstrating science, technology, engineering, and math. In order to make the night happen, we are asking for a few donations from any parents who are willing. The list of what we need can be found on [flyers](#) sent home in Friday folders. There will also be donation buckets in the lobbies of any of the Palisades Elementary schools where items can be dropped off!
2. From Chief Madden of the Tinicum Township Police Department: If you are interested in becoming a Board member of the *Tincium Township Police Foundation*, please review [this information](#).
3. Next week is Read Across America Week. Check out [this note](#) from our Reading Room.
4. The Harlem Wizards are coming to Palisades! The game/event is on March 14 at PHS. Here is the link at which you can purchase tickets: https://harlemwizards.thundertix.com/orders/new?performance_id=2769574
5. If your child(ren) is permitted to use a personal electronic device on the bus to keep him/her busy during their bus ride to/from school, please include headphones. Our

drivers are very careful to navigate the tricky roads of the Tinicum community and the fewer distractions, the better. Thank you!

6. As a reminder, when visiting our school, be sure to have your driver's license with you so that Mrs. Doerr can process your visit and provide you with the appropriate sticker.

A PEEK INTO NEXT WEEK

Monday, February 28	Day 2	Wear a t-shirt/sweatshirt with your favorite place (mountains, beach, national park, country, etc...)
