

Good afternoon,

Our final week of January brought lots of exciting opportunities in classrooms. Our fifth graders were working on observation skills and our first graders wrote persuasive essays to me about which animal we should get for Tinicum – we'll have to see whether it will be a penguin or a polar bear!

As our third quarter is underway, be on the lookout for report cards to be sent, via email, in early February. Our students are doing their best to show growth in their academic areas. We continue to have reminder conversations during Morning Meeting about making good choices and, in short, being kind. Now, more than ever, it's important to *just be kind* to each other.

Until next week, be well.

## NOTES FOR FAMILIES

1. Please be reminded that the lane in front of the school is a fire/emergency lane. When coming into the school, please use a visitor's parking space on the side of the building. Thank you!
2. As a reminder, when visiting our school, be sure to have your driver's license with you so that Mrs. Doerr can process your visit and provide you with the appropriate sticker.
3. We were excited to have eight students add their names to our *Trifecta wall*! They each earned at least one tiger stripe in the second marking period for each of our three areas of focus.
