

## SAVE THE DATE

March 4th - March 8th

March 7, 2024 @PHS

Good afternoon!

Can you believe that it's already March?! While January did feel like it was 35 days long (am I right?) and February wasn't too far behind, it is truly remarkable that we already find ourselves entering the month of March. With that comes lots of activity:

- Read Across America Week (March 4 - 8)
- K - 5 Concert (March 7)
- STEM Night at PHS (March 7)
- Book Fair (March 13 - 15)
- Family Fun Night at the Book Fair (March 14)
- Reading Olympics (March 19)
- Parent/Teacher Conferences (March 21, 25, and 27)
- Early Dismissal (March 27)
- No School (March 28 - April 1)

...and those are just a few of the activities that are on the calendar for this month! We definitely enjoy keeping ourselves busy to provide many options for our students (and families) to engage with the school and with each other.

As a reminder, our third - fifth grade friends will be trying their best on the PSSA exams from the week of April 22 - May 3. If you are planning a quick spring getaway, please do try to schedule around those dates. Thank you for your cooperation.

Finally, don't forget to **spring ahead** this weekend! We lose an hour as we move the clocks forward. Silver lining, though, is the days are "getting longer" and warmer temperatures are in the very near future. Think spring!

Enjoy the weekend!
