

Good afternoon,

It's hard to believe that today is the last Friday of March! Time sure is flying. Speaking of time, the end of the third marking period is next Wednesday, which means that we are soon to be in the final quarter of the 2021-2022 school year! We have lots of fun learning experiences planned for the final weeks of the school year. We'll be sure to communicate with you so you can ask your child(ren) all about what assemblies and activities they have been enjoying here at school.

**Reminder:** If you have an incoming Kindergarten student and you have not yet registered, please do so ASAP! The website and specific information are listed below in the notes (#5).

Until Monday, enjoy the weekend!
