Good afternoon!

This week flew by and partially because of the flurry of activity throughout, both during school and after. Our students are thoroughly enjoying the variety of district-sponsored after school activities (roller skating is a crowd favorite). STEM night at PHS was a success, with lots of Tinicum Tigers trying out fun activities and learning about science, engineering, and technology from our high school students who ran the activities. The biggest event of the week was our K - 5 concert. Kudos to Mrs. Vidoni for her motivation and dedication to her students. The concert was great and we had nearly 200 guests attend! (Thanks to our community for showing up and supporting our students and school.) As a reminder, a few upcoming events this month include:

- Book Fair (March 13 - 15)
- Family Fun Night at the Book Fair (March 14)
- Reading Olympics (March 19)
- Parent/Teacher Conferences (March 21, 25, and 27)
- Owow Cow Fundraiser (March 26)
- Early Dismissal (March 27)
- No School (March 28 - April 1)

Pictured above are four outstanding Tinicum Tigers. An optional project for the month of February was to write either a poem or an essay to respond to the prompt: *What I love most about Tinicum is...* We had 33 students respond to the prompt. Four students were selected as the top participants, two per category of best poem / best essay. Thanks to all who participated and kudos to Ben, Caroline, Addie, and Teagan for earning the top prize!

Finally, don't forget to **spring ahead** this weekend! (Yes - it really is *this* weekend...sorry for the mix-up last weekend!) We lose an hour as we move the clocks forward. Silver lining, though, is the days are "getting longer" and warmer temperatures are in the very near future. Think spring!

Enjoy the weekend!
