

Good afternoon,

Well, the “busy-ness” of the end of the school year is fully upon us. There are so many fun activities in which our students are involved. Not only are our teachers finding additional creative ways to take advantage of teaching and learning outside, we are finishing up with our spring MAP testing this coming week.

Fun fact - next week is the final full week of school for the 21-22 school year! Can you believe it?! As the saying goes, time sure does fly when you’re having fun! I hope that as we all reflect on this school year, we take time to remember the good.

With two and a half weeks remaining in the school year, let’s continue to partner to promote our Tinicum ABC’s in all aspects of what we do and how we conduct ourselves:

*Act Responsibly
Be Respectful
Choose to be Safe*

As a final push, please consider purchasing a yearbook as a memory for your child(ren). We have a few copies left to sell, and it would be great to support our PTA by purchasing a copy. The link to do so can be [found here](#).

Enjoy the weekend!

NOTES FOR FAMILIES

1. The Palisades School District contracts with a local organization for substitute teachers. In an effort to increase the substitute pool, check out these incentive fliers! [Announcement One](#). [Announcement Two](#).
2. **Calling all families with incoming Kindergarten students!** Did you remember to register? If not, please contact Donna Holmes at 610.847.5131, ext 2401 ASAP! We will be conducting kindergarten readiness screenings on May 25.
3. Thanks to all of our volunteers who helped at our 4/5 track meet, as well as those who helped at our BOGO Book Fair. Both events, because of volunteer support, were a huge success!

4. We have lots of items in the Lost and Found (by the gym). Any items not claimed by the last day of school will be donated to a local charity.
