

Our students involved in the Nature Club had a great after school experience with the support of their advisors, Mrs. Brokaw and Mrs. Snyder, alongside our guests from the Heritage Conservancy. Some pictures of their afternoon are shown above. Additionally, Mrs. Wright (PHS) is coordinating a monthly trip to the canal to clean it up. Some of our students, above, picked up more than 60 pieces of trash!

Also, Tinicum joins the other four schools in being a Youth Heart Watch school. As of next week, 100% of our faculty and staff will have been trained in CPR/AED. We continue to do our best to keep our students, staff, and community safe.

Next week, we have a short week for students - just a day and a half of school. I hope that each of you are able to find some time to unplug and enjoy time with family and friends during this Thanksgiving holiday break.

Happy Thanksgiving!
